Hi Sheila,

Monica left a message with Dave yesterday saying that we are not inclined to reschedule. We have sent the draft FIP to HQ as of yesterday for review/concurrence and we need to meet with the tribal air program staff. It's just too hard to get on their schedule. So, I hope you'll keep the 15th on your schedule.

Thanks,

Jody

So I understand Dave put the kabosh on the 15th, sorry! I did go back and look and I had emailed everyone asking about the date and Dave never said anything to me! Oh well, any luck with rescheduling? Let me know if I can do anything to help. Thanks Jody!

Sheila
